# A Woman's Experience

Brigham Young University's Journal for Women's Studies  
Volume I

# To our readers

*AWE: A Woman's Experience*, is a student-created journal dedicated to the expression of women's intellect and creativity and to the conviction that critical and artistic approaches to knowledge are as complementary as seeking learning by study and faith. This periodical strives to explore women's contributions to all fields of learning. Thus, contributions from all fields of study are invited. *AWE* intends to publish articles that openly address issues of relevance to women which conform to high scholarly standards. *AWE* also invites poetry, personal essays, art and photography dealing with subjects relevant to women. Short studies, notes, and letters to the editor are also welcomed.

Opinions expressed in *AWE* are the opinions of the contributors. Their views should not necessarily be attributed to the Church of Jesus Christ of Latter-day Saints, Brigham Young University, or *AWE* faculty mentors, editors or staff.

What Woman needs is not as a woman to act or rule, but  
as a nature to grow, as an intellect to discern, as a soul  
to live freely and unimpeded, to unfold such powers as  
were given her when we left our common home.
