

*We go to great lengths to preserve historical buildings  
and sites in our cities. We need to apply  
the same fervor to preserving the most ancient  
and sacred of institutions—the family!*

*We cannot effect a turnaround in a day or a month  
or a year. But with enough effort, we can begin a  
turnaround within a generation, and accomplish  
wonders within two generations—a period of time  
that is not very long in the history of humanity.*
