The Thetean is an annual student journal representing the best of historical writing by current and recent students at Brigham Young University. All papers are written, selected, and edited entirely by students. Articles are welcome from students of all majors, provided they are sufficiently historical in focus. Please email submissions as an attached Microsoft Word document to thetean submissions@gmail.com. Manuscripts must be received by mid-January to be included in that year's issue. Further details about each year's submission requirements, desired genres, and deadlines should be clarified by inquiring of the editors at the same address.

Publication of the *Thetean* is generously sponsored by the Department of History, in association with the Beta Iota Chapter of the Phi Alpha Theta National Honor Society. Material in this issue is the sole responsibility of the authors and does not necessarily represent the views of the editors, Phi Alpha Theta, the Department of History, Brigham Young University, or The Church of Jesus Christ of Latter-day Saints.
