AWE

To our readers

AWE: A Woman's Experience, is a student-created journal dedicated to the expression of women's intellect and creativity and to the conviction that critical and artistic approaches to knowledge are as complementary as seeking learning by study and faith. This periodical strives to explore women's contributions to all fields of learning. Thus, contributions from all fields of study are invited. AWE intends to publish articles that openly address issues of relevance to women that conform to scholarly standards. AWE also invites poetry, personal essays, art and photography dealing with subjects relevant to women. Short studies, notes, and letters to the editor are also welcomed.

The opinions expressed in AWE are the opinions of the contributors. Their views should not necessarily be attributed to the Church of Jesus Christ of Latter-day Saints, Brigham Young University, or AWE faculty mentors, editors or staff.
