# Sieben Häute

Sarah Kirsch

## Description

This work is part of the Sophie Digital Library, an open-access, full-text-searchable source of literature written by German-speaking women from medieval times through the early 20th century. The collection covers a broad spectrum of genres and is designed to showcase literary works that have been neglected for too long. These works are made available both in facsimiles of their original format, wherever possible, as well as in a PDF transcription that promotes ease of reading and is amenable to keyword searching.

# Sieben Häute (Poem)

This text comes from a collection of German-speaking women's literature entitled "Deutsche Dichterinnen vom 16. Jahrhundert bis zur Gegenwart: Gedichte und Lebensläufe. Herausgegeben und eingeleitet von Gisela Brinker-Gabler." This text was graciously donated to the Sophie library by Gisela Brinker-Gabler.

-----

Die Zwiebel liegt weißgeschält auf dem kalten Herd  
Sie leuchtet aus ihrer innersten Haut daneben das Messer  
Die Zwiebel allein das Messer allein die Hausfrau  
Lief weinend die Treppe hinab so hatte die Zwiebel  
Ihr zugesetzt oder die Stellung der Sonne überm Nachbarhaus  
Wenn sie nicht wiederkommt wenn sie nicht bald  
Wiederkommt findet der Mann die Zwiebel sanft und das Messer beschlagen
