ADDENDUM TO JOHN DUNN'S "IDENTITY, MODERNITY AND THE CLAIM TO KNOW BETTER"

*Professor Dunn's article, published in CCR No. 16 (Fall 1987), pp. 1-22, should have included the following as part of the final footnote: Delivered as a public lecture, May 1982. For the subsequent political record of Ghana see Naomi Chazan, *An Anatomy of Ghanaian Politics: Managing Political Recession 1969-1982* (Boulder, Colorado: Westview Press, 1983) and Richard Jeffries, "The Political Economy of Personal Rule in Ghana" in D. Cruise O'Brien, J. Dunn & R. Rathbone (eds.), *West African States After OPEC* (forthcoming, 1988). For a later and more formal statement of the central argument of the lecture see Dunn, "The Politics of Representation and Good Government in Postcolonial Africa" in Patrick Chabal (ed.), *Political Domination in Africa* (Cambridge: Cambridge University Press, 1986), pp. 158-74.*
