HUMAN CAPTIAL

Self-Reliance and Self-Respect

Dallin H. Oaks, p. 22

The Persistence of Poverty

Charles Karelis, p. 28

Utilizing Socially Responsive Knowledge

Management educators reinforce the three knowledge domains while creating significant change in the lives of the impoverished.

Lisa Jones Christensen and Jennifer Boehme Kumar, p. 14

Own this Pioneering Microcredit Documentary Today.

Small Fortunes: Microcredit and the Future of Poverty is available on DVD with new bonus features. This full-length documentary explores microcredit as a growing answer to poverty. Microentrepreneurs from around the world tell their own stories, while microfinance leaders share perspectives about what is working and the importance of this tool in the fight against poverty.

New bonus features on the DVD include:

- Additional interview footage with 2006 Nobel Peace Prize Laureate Muhammad Yunus
- Individual, easily viewed profiles of microcredit borrowers
- Exclusive interviews with founding microcredit professionals about challenges and developments in microfinance

Share the DVD with colleagues, nonprofits, businesses, or students.

Order online at small-fortunes.com or call 866-283-2789.
