Inscape is published twice a year as a cooperative effort of the BYU College of Humanities and the Department of English. The contents represent the opinions and beliefs of the authors and not necessarily those of the advisors, Brigham Young University, or its sponsoring institution, The Church of Jesus Christ of Latter-day Saints. Any questions or comments may be directed to inscapebyu@gmail.com.

Inscape is the inward quality of objects and events as they are perceived by the joined observation and introspection of a poet, who in turn embodies them in unique poetic forms.
