Sigma: Journal of Political and International Studies is a multidisciplinary publication of student articles on topics in political science and international studies. Sigma addresses a topics such as economics, international relations, political science, and area studies. Our aim is to publish the work of diligent students who have fresh policy recommendations and new perspectives to offer, which would otherwise go unnoticed.

Sigma is supported and sponsored by the BYU chapters of Pi Sigma Alpha (National Political Honor Society) and Sigma Iota Rho (Honor Society for International Studies). Our appreciation for them is manifest in the title for this journal. You may find more information on these organizations at politicalscience.byu.edu/Pages/Clubs/BYUPAS and kennedy.byu.edu/student/SIGMA/.

We also express our gratitude for the support received for this journal from the Political Science Department and the David M. Kennedy Center for International Studies. Our gratitude also goes to the Kennedy Center communications team for their editorial and graphic design support.
