Studia Antiqua is an annual student journal dedicated to publishing the research of graduate and undergraduate students from all disciplines of ancient studies. The views expressed in this publication are solely those of the authors and do not necessarily represent the views of Brigham Young University or The Church of Jesus Christ of Latter-day Saints.

The continued publication of *Studia Antiqua* is made possible through an internship provided by the BYU Religious Studies Center. Additional financial contributions were made to this volume by Ancient Near Eastern Studies, Classics, and the Neal A. Maxwell Institute for Religious Scholarship.

Studia Antiqua accepts manuscripts for publication year-round. Manuscripts should be sent to studia_antiqua@byu.edu and should include a title page with the author's name, major, and year in school. For submission guidelines and other valuable resources, please visit studiaantiqua.byu.edu.
