*Living the Book of Mormon:
“Abiding by Its Precepts”*

The 36th Annual Sidney B. Sperry Symposium

“I told the brethren that the Book of Mormon was the most correct of any book on earth, and the keystone of our religion, and a man would get nearer to God by abiding by its precepts, than by any other book.” Joseph Smith’s statement rings true 166 years later. The Book of Mormon clarifies precepts taught in the Bible and invites us to live more Christlike lives. Topics of the 2007 Sidney B. Sperry Symposium include redemption through Christ, the “three Rs” of the Book of Mormon, and the divine precept of charity. Presenters include Elder Joe J. Christensen, Terry B. Ball, Richard O. Cowan, and Robert L. Millet.

Regional Studies in Latter-day Saint Church History: The British Isles

History is replete with examples of the accomplishments of the first Latter-day Saint missionaries to England. Prophesying of the importance of the missionaries' success, Joseph Smith said that their work would be the means of bringing salvation to the Lord's latter-day Church. In 1837, Latter-day Saint missionaries from America set foot in Great Britain seeking converts to the Mormon faith. This book includes articles on Isaac Russell, a photo essay, and turning the media image of the Church in Great Britain. Contributors include Alexander L. Baugh, Richard E. Bennett, and Richard O. Cowan.

The Tabernacle: "An Old and Wonderful Friend"

As the Mormon Tabernacle in Salt Lake City's Temple Square was renovated in 2007, historian Scott C. Esplin releases this in-depth review of the Tabernacle's construction. Featuring beautiful and historic photos, much of the book consists of a newly edited version of Stewart Grow's thesis on the building of the Tabernacle. Grow was the grandson of Henry Grow, the bridge builder who built the roof of the historic Tabernacle. The author has provided a new introduction, placing the thesis in historical context.
