Journal of the Rocky Mountain Medieval and Renaissance Association

volume fifteen 1994
NOTICE TO CONTRIBUTORS

Founded in 1980 and published once a year, the journal provides an opportunity for scholars of the Middle Ages or Renaissance to share their scholarly work. The editors are seeking articles and essays (twenty to thirty double-spaced manuscript pages) that appeal to scholars both within and without the author's discipline.

Submission of manuscripts dealing with medieval or renaissance studies is open to all scholars regardless of discipline or location. All submissions should follow The Chicago Manual of Style. Submissions will be refereed.

The author's name will not be made known to the referees and should not appear on the manuscript. Rather, a cover sheet, with the author's name, address, telephone number, e-mail address, and title of the paper should accompany the paper. Please send three copies of the paper to

Professor Catherine Corman Parry
Editor, JRMMRA
Department of English
Brigham Young University

A scholar whose manuscript is accepted will be asked to supply a copy of the diskette along with the printout.
