The Mission of The Association of Mormon Counselors and Psychotherapists is to provide information and support for the LDS mental health professional.

AMCAP carries out this mission through four dimensions, represented by the AMCAP logo with four arrows converging at the center:

*Spiritual
Focus*

*Clinical
Application*

*Networking
and Outreach*

*Research, Theory,
and Publication*

What is the center upon which those arrows converge?
It is The Living Christ –
Christ whom we serve by serving our brothers and sisters in need,
Christ whom we approach by our own spiritual strivings.

*The Mission of the Association of Mormon Counselors

(b) To encourage and support members' efforts actively to promote within their other professional organizations and society at large, the adoption and maintenance of moral standards and practices that are consistent with gospel principles."

AMCAP supports the principles and standards of the Church of Jesus Christ of Latter-day Saints; however, it is an independent professional organization which is not sponsored by, nor does it speak for, the Church or its leaders.
