AMCAP Bylaws, Article 1, Section 2, as amended October, 2007: AMCAP shall exist: a) As a non-profit (501c(3)) corporation that provides education as well as professional development and interaction for mental health professionals who adhere to the principles and standards of The Church of Jesus Christ of Latter-day Saints (hereafter “the Church”) in both personal life and professional practice. b) To teach and promote ethical standards, models, theories, therapeutic methods, and research consistent with the doctrines of the Church. c) To promote fellowship and facilitate collaboration among LDS mental health professionals in advancing the mission of AMCAP. AMCAP supports the principles and standards of the Church of Jesus Christ of Latter-day Saints; however, it is an independent professional organization which is not sponsored by, nor does it speak for, the Church or its leaders.

Disclaimer: All methods, techniques, procedures, applications, theories, research findings and other information described in this Journal, and the views and opinions expressed by the authors, are their own and do not necessarily represent those of the Association of Mormon Counselors and Psychotherapists, nor does their publication in the AMCAP Journal represent or constitute endorsement or promotion of the methods, techniques, procedures, applications, theories, treatments, research or findings by the Association of Mormon Counselors and Psychotherapists.
