ERRATUM:
“BIOGEOGRAPHIC AND TAXONOMIC RELATIONSHIPS AMONG
THE MOUNTAIN SNAILS (GASTROPODA: OREOHELICIDAE)
OF THE CENTRAL GREAT BASIN” (2004)

The publisher would like to draw the reader’s attention to an error in the following article:

PORTS, M.A. 2004. Biogeographic and taxonomic relationships among the mountain snails (Gastropoda: Oreohelicidae) of the central Great Basin. *Western North American Naturalist* 64(2):145–154.

On page 147, the holotype locality for *Oreohelix loisae* incorrectly reads –144°16.233’W. This should read –114°16.233’W.
