## ACKNOWLEDGEMENTS

My special appreciation goes to Amanda Crowley and Jenna Settles for their patient and diligent work preparing the inventory of my library, to Nathan Downs, my ever helpful and pleasant computer coach who not only solves problems, but is a fine teacher, to Prof. John Kessler for his review of my entries in German, to my long time colleague and friend in Switzerland, Hugo Lüscher, who has helped me in countless ways, and to my nephew Scott Tritt who was essential for transporting a truck load of books from Ohio to Wisconsin.
