A Book of Mormon Bibliography for 2016

THE MAXWELL INSTITUTE is currently making efforts to update the work of Donald Parry, Jeanette Miller, and Sandra Thorne, who prepared the volume *A Comprehensive Annotated Book of Mormon Bibliography* (1996). This earlier work is now available at the Maxwell Institute's website (see <http://publications.mi.byu.edu/book/a-comprehensive-annotated-book-of-mormon-bibliography/>), and updates will also be made available on the Institute's website.

To assist in this effort, the editors of the *Journal of Book of Mormon Studies* have decided to include in each issue of the *Journal* a bibliography of scholarly work published on the Book of Mormon during the previous year. We have therefore made efforts to discover all work of an academic nature published during 2016 for inclusion in the following bibliography. The work has been undertaken primarily by Matthew Roper and Alex Criddle.

The editors would like to encourage readers of the *Journal* to send information regarding any publications of a scholarly nature focused on the Book of Mormon that have escaped our notice. These can be sent to jbms@byu.edu.
