A Book of Mormon Bibliography for 2017

THE MAXWELL INSTITUTE continues to make efforts to collect bibliographical information for all writings of a scholarly nature focused on the Book of Mormon in a substantial way. The work for this year's bibliography has been undertaken by Amanda Buessecker. The editors would again like to encourage readers of the *Journal* to send information regarding any publications of a scholarly nature focused on the Book of Mormon that have escaped our attention. These can be sent to jbms@byu.edu.
