MORMON STUDIES REVIEW

Editor-in-chief: J. Spencer Fluhman
Managing Editor: D. Morgan Davis

A publication of the Neal A. Maxwell Institute
for Religious Scholarship

Since 1989, the *Mormon Studies Review* published review essays to help serious readers make informed choices and judgments about books and other publications on topics related to the Latter-day Saint religious tradition. These publications, originally produced by the Foundation for Ancient Research and Mormon Studies (FARMS), included substantial freestanding essays that made further contributions to the field of Mormon studies. The journal was originally called *Review of Books on the Book of Mormon* beginning in 1989, then *FARMS Review of Books in 1996*, followed by *The FARMS Review* in 2003. In 2011 the journal was renamed *Mormon Studies Review*.
