University of Arizona Oriental Studies Collection

SHIZUKO S. RADBILL's position has been converted retroactively from September 1993 to Assistant Librarian for Japanese Studies in the Oriental Studies Collection of the University of Arizona Library. Due to her multifaceted duty assignments, she now belongs, within the University Library system, to two teams: the Fine Arts/Humanities Team and the Bibliographic Access Team. As a result of the ongoing Library restructuring effort, the Oriental Studies Collection is now simply a physical location at Arizona and is no longer an administrative entity. The Head position of this Collection was eliminated at the beginning of the 1993 calendar year. However, Ms. Radbill's office is still located in the collection. She can be reached at:
