ERRATA NOTICE

It has been brought to the attention of the WESTERN NORTH AMERICAN NATURALIST that several errors were introduced by the editorial staff and subsequently published in volume 64, issue 4, of the journal in the article, "First Pleistocene jumping mouse (*Zapus*, Zapodinae, Rodentia) from Utah," by Dennis R. Ruez, Jr., and Christopher J. Bell.

On page 443, under Acknowledgments, the copy reads: "We thank our 2 reviewers, J. Mead and S. Lucas, for their comments and suggestions, and the Utah Geology Foundation for

financial support." The sentence should read: "We thank our 2 reviewers, J. Mead and S. Lucas, for their comments and suggestions, and the University of Texas (UT) Geology Foundation for financial support."

Also, the running heads in this article should have read WESTERN NORTH AMERICAN NATURALIST on the left-hand pages and FIRST PLEISTOCENE ZAPUS FROM UTAH on the right-hand pages.

We apologize for any misunderstanding these errors may have caused.
