ANNOUNCEMENTS AND CORRECTIONS

Announcement:

The Japan-U.S. Friendship Commission has begun preparation for a major review of its programs and priorities for the new millennium. It plans to hold this review as a series of intensive discussions in the year 2000. The Commission invites all individuals and institutions, regardless of location, with an interest in its activities to submit one-page summaries of statements you might make as participants in the forthcoming group discussions. The Commission will use these summaries to shape the discussion agenda and select participants. For a full description of this notice, see "A Call for New Ideas" on the Commission's website at www.jusfc.gov.

Correction:

In issue No. 118 (June 1999) of *The Journal of East Asian Libraries* the name of the Chair of the Committee on Japanese Materials was incorrectly given as SachiTheta Noguchi (p. 46). Ms. Noguchi's name should be spelled as Sachié Theta Noguchi. The Editor regrets this error.
