# GREAT BASIN NATURALIST

## Notice to Contributors

Original manuscripts in English pertaining to the biological natural history of western North America and intended for publication in the *Great Basin Naturalist* should be directed to Brigham Young University, Stephen L. Wood, Editor, Great Basin Naturalist, Provo, Utah 84601.

**MANUSCRIPTS:** Two copies are required, typewritten, double-spaced throughout, on one side of the paper, with margins of at least one inch on all sides. In general, the style should conform to recommendations published in the most recent edition of the *Style Manual for Biological Journals*, published by the American Institute of Biological Sciences. Two copies of an abstract, about 3 percent as long as the text and on a separate page, should accompany each manuscript.

**ILLUSTRATIONS:** All illustrations should be made with a view of having them appear within the limits of the printed page. The illustrations that form a part of an article should accompany the manuscript. All half-tones or zinc etchings to appear in this journal are to be made under the supervision of the editor, and the cost of the cuts is to be borne by the contributor.

**REPRINTS:** No reprints are furnished free of charge. A price list for reprints and an order form are sent with the proof.
