NCC MULTI-VOLUME SETS AWARD FOR 2000-2001

The Multi-Volume Set Committee of the North American Coordinating Council on Japanese Library Resources (NCC) announces funding of the following titles by a generous grant from the Japan-U.S. Friendship Commission for the 2000-2001 competition. The Committee received applications from fifteen institutions for 26 titles and following a careful selection process chose the titles for support by the grant. This year, for the first time, the awards include an individual researcher’s application. NCC and the MVS Committee are grateful for everyone’s participation in this project, particularly those who surveyed their library’s collection quickly to avoid duplication and to make the best use of the grant money.
