Inscape

Inscape is published twice each year as a cooperative effort of the BYU College of Humanities and the Department of English, with assistance from the Department of Honors and General Education. This project is also supported by a grant from the Utah Arts Council and the National Endowment for the Arts, Washington, D.C. The contents of this volume represent the opinions of the authors and not necessarily those of the editors, our advisor, Brigham Young University, or its sponsoring institution, The Church of Jesus Christ of Latter-day Saints.
