The *DANISH AMERICAN HERITAGE SOCIETY* was established in 1977 in order to accomplish the following:

Preserve and promote interest in Danish American traditions.

Collect, evaluate, preserve, and display records (books, pictures, letters) as well as other artifacts pertaining to the life and culture of Danish Americans.

Encourage Danish American expression in the arts, humanities, and social sciences.

Promote research into the life and culture of Danish Americans and serve as an agency through which resulting studies might be shared and published.

Seek public and private grants or funds to further projects and programs sponsored by the Society.

Keep members aware of events and thoughts from contemporary Denmark.

Provide a means of communication and education for members through a quarterly publication.

Serve as a clearinghouse and provide information on all phases of Danish American life.

Organize local or regional chapters to encourage fellowship and to share ideas.
