Far Eastern Affairs: A Russian Journal on China, Japan, and Asia-Pacific Region

Since July 2001, East View Publications has acquired the right to publish and distribute this distinguished edition. *Far Eastern Affairs* will undoubtedly provide researchers with a unique close-up on China, the fledgling geopolitical giant and Russia's centuries-long immediate neighbor.

From this journal, the reader will learn:

- How Russia is trying to develop its relations with China and Japan, the dominant political and economic powers in this part of the world.
- What is the Kremlin's approach to the two Koreas' problem.
- How Russia adjusts its current policy considering the participation in international economic organizations in the Asia-Pacific region.
- How Russia assesses the implications of massive Chinese immigration into the Russian Far East and Maritime Region.
- What are the latest achievements of Russian scholars in regard to the cultural and spiritual legacy of Asian nations, *and more*.

Far Eastern Affairs is a valuable source of information and analysis for every researcher of the region as well as for every interested reader.
