Dr. Theodore W. Weaver III, Department of Botany, Montana State University, Bozeman, Montana 59715 (Plant Ecology).

The *Great Basin Naturalist* was founded in 1939 and has been published from one to four times a year since then by Brigham Young University. Previously unpublished manuscripts in English of less than 100 printed pages in length and pertaining to the biological natural history of western North America are accepted. Western North America is considered to be west of the Mississippi River from Alaska to Panama. The *Great Basin Naturalist Memoirs* was established in 1976 for scholarly works in biological natural history longer than can be accommodated in the parent publication. The *Memoirs* appears irregularly and bears no geographical restriction in subject matter. Manuscripts are subject to the approval of the editor.

Subscriptions. The annual subscription to the *Great Basin Naturalist* for private individuals is \$16.00; for institutions, \$24.00 (outside the United States, \$18.00 and \$26.00); and for student subscriptions, \$10.00. The price of single issues is \$6.00 each. All back issues are in print and are available for sale. All matters pertaining to subscriptions, back issues, or other business should be directed to Brigham Young University, *Great Basin Naturalist*, 290 Life Science Museum, Provo, Utah 84602. The *Great Basin Naturalist Memoirs* may be purchased from the same office at the rate indicated on the inside of the back cover of either journal.

Scholarly Exchanges. Libraries or other organizations interested in obtaining either journal through a continuing exchange of scholarly publications should contact the Brigham Young University Exchange Librarian, Harold B. Lee Library, Provo, Utah 84602.

Manuscripts. See *Notice to Contributors* on the inside back cover.
