NOTICE TO CONTRIBUTORS

Manuscripts intended for publication in the *Great Basin Naturalist* or *Great Basin Naturalist Memoirs* must meet the criteria outlined in paragraph one on the inside front cover. The manuscripts should be sent to Stephen L. Wood, Editor, *Great Basin Naturalist*, 290 Life Science Museum, Brigham Young University, Provo, Utah 84602. Three copies of the manuscript are required. They should be typewritten, double-spaced throughout on one side of the paper, with margins of at least one inch on all sides. Use a recent issue of either journal as a format, and the *Council of Biology Editors Style Manual, Fifth Edition* (AIBS 1983) in preparing the manuscript. An abstract, about 3 percent as long as the text, but not exceeding 200 words, written in accordance with *Biological Abstracts* guidelines, should precede the introductory paragraph of each article.

Authors may reduce their typesetting costs substantially by sending a copy of their article on a 5.25-inch floppy disk prepared with WordPerfect software in addition to three copies of the manuscript.

Illustrations and Tables. All illustrations and tables should be made with a view toward having them appear within the limits of the printed page. Glossy photoprints of illustrations should accompany the manuscript. Illustrations should be prepared for reduction by the printer to either single-column ($2\frac{2}{8}$ inches) or double-column ($5\frac{1}{2}$ inches) width, with the length not exceeding $7\frac{1}{2}$ inches.

Costs Borne by Contributor. Contributors to the *Great Basin Naturalist* should be prepared to donate \$40 per printed page toward publication of their article. No reprints are furnished free of charge. Excessive or complex tables requiring typesetting may be charged to the author at cost. *Great Basin Naturalist Memoirs* costs must be borne in full by the author.
