Did you know you can find the whole alphabet with items and words in *Goodnight Moon*? From A for “Air” and Z for “Zzzz”, every letter is shared with a picture from one of the world’s most popular picture books.

For children who love *Goodnight Moon*, *Goodnight Moon ABC* will be a useful next step in their learning and reading. The book brings in familiar pictures and words from the original story, in the new format of an alphabet book. Some words are familiar, like “Red Balloon” and “Kittens” and “Clock,” other words come from the details of the pictures, like “Giraffe” and “Lamp.” Although it may not be a great fit for those who do not know *Goodnight Moon*, children who have begged for the original to be read to them again and again will be excited and surprised by this new format.
