Hopeful and heartbreaking, sobering and exultant. *A Call to Russia* captures missionary life as experienced by a mission president, his wife and daughter, and the sisters and elders who served under him. But above all, this book is an invitation to reflect upon our own lives. Two glimpses from President Rogers:

Our senior district president recently asked me, "What are your greatest impressions since coming here?" I answered, "Faith and love. Love and faith." And the way things seem to fall apart on at least a weekly basis before they're somehow put back together.

In our quest to see God's face, what most matters in mortality is how we face one another—with what patience, tenderness, mercy, and good humor.
