**Number of Pages:** 24  
**Interest Level:** Toddler, Preschool  
**Rating:** Outstanding

## Review

*Orange Pear Apple Bear* reads in sequences using the same words but adding different emphases and meanings into them. Little children will love the variations presented in this funny board book as well as the delicious illustrations.

Learning new words and correctly applying them is a difficult concept for small, young minds. However, *Orange Pear Apple Bear* is an incredible aid to parents and teachers as small fingers turn the board pages time and time again.
