Here are the historical documents for the key events of the Restoration in which heavenly elements were powerfully evident: the First Vision, the translation of the Book of Mormon, the restoration of the priesthood, Joseph Smith's ongoing visions, the outpouring of visions and the bestowal of keys at the Kirtland Temple, and the mantle of Joseph Smith passing to Brigham Young. Such events are the backbone of The Church of Jesus Christ of Latter-day Saints.

As one reads the accounts of divine manifestations in *Opening the Heavens*, the truth of the Restoration events becomes clearer. These original, eyewitness accounts will endure for generations. The firsthand accounts contained in *Opening the Heavens* make it one of the most significant and influential Church history books you may ever read.

TO OUR READERS

BYU Studies is dedicated to the correlation of revealed and discovered truth and to the conviction that the spiritual and the intellectual can be complementary and fundamentally harmonious avenues of knowledge. This periodical strives to explore scholarly perspectives on Latter-day Saint topics. It is committed to seeking truth "by study and also by faith" (D&C 88:118) and recognizes that all knowledge without charity is nothing (1-Cor. 13:2). It proceeds on the premise that faith and reason, revelation and scholarly learning, obedience and creativity are compatible; they are "many members, yet but one body" (1-Cor. 12:20).

Contributions from all fields of learning are invited. *BYU Studies* strives to publish articles that openly reflect a Latter-day Saint point of view and are obviously relevant to subjects of general interest to Latter-day Saints, while conforming to high scholarly standards. *BYU Studies* invites poetry and personal essays dealing with the life of the mind, reflections on personal and spiritual responses to academic experiences, intellectual choices, values, responsibilities, and methods. All personal essays received will be entered in our annual personal essay contest. Short studies and notes are also welcomed.

Opinions expressed in *BYU Studies* are the opinions of contributors. Their views should not necessarily be attributed to The Church of Jesus Christ of Latter-day Saints, Brigham Young University, or *BYU Studies* editors, staff, or board members.
