*Massacre at Mountain Meadows.*  
Ronald W. Walker,  
Richard E. Turley Jr., and  
Glen M. Leonard

Published by  
Oxford University Press

448 pages, 6" x 9"

\$29.95 softback

ISBN-978-0-19-516034-5

Drawn from documents previously not available to scholars and a careful re-reading of traditional sources, *Massacre at Mountain Meadows* provides the clearest and most accurate account of a key event in American religious history.

“A vivid, gripping narrative of one of the most notorious mass murders in all American history, and a model for how historians should do their work. This account of a long-controversial horror is scrupulously researched, enriched with contemporary illustrations, and informed by the lessons of more recent atrocities.”

—Daniel Walker Howe, Pulitzer Prize-winning author of *What Hath God Wrought: The Transformation of America, 1815–1848*.

“The authors of *Massacre at Mountain Meadows* have written the best researched, most complete, and most evenhanded account of the Mountain Meadows incident we are likely to have for a long time. Above all they tell a gripping tale. Though I knew the end from the beginning, I began to sweat as the narrative approached its fatal climax. The authors won’t let us turn our gaze away from the horrors of that moment.”

—Richard Bushman, Howard W. Hunter Chair of Mormon Studies,  
Claremont Graduate University.
