## Review

Practice writing numbers and uppercase letters in this interactive DC Super Friends workbook. Each page has a letter or number in bold with a superhero or phrase alongside it. There is a space to look at the letter or number, trace the letter or number, and practice writing the letter or number. The workbook also includes fun exercises such as matching numbers and number trail.

Children who are just starting to write and recognize their letters and numbers, and who love DC Super Friends, will love this interactive workbook. The workbook includes a dry-erase marker that makes it easy for kids to use this workbook over and over again. Also, the cartoon artistic style and bright colors will appeal to children and keep their attention as they learn and develop motor skills.
