Review

Celebrating the fiftieth anniversary of *Brown Bear, Brown Bear, What Do You See* and the tenth anniversary of *Baby Bear, Baby Bear, What Do You See*, *Baby Bear* is back in a board book edition with easy access tabs for each animal baby bear encounters. Join Baby Bear as he discovers animals indigenous to North America like the red fox, mountain goat, and striped skunk. In an exciting conclusion, Baby Bear finds his mom!

Baby Bear, Baby Bear, What Do you See? is author Bill Martin Jr. and illustrator Eric Carle's fourth and final companion book to the *Brown Bear, Brown Bear, What Do you See?* series. This special fiftieth anniversary edition of this classic children's book is perfect for young readers with its durable pages and easy access tabs for each animal surrounding the outside. Children will enjoy the brightly colored illustrations and learning names of several animals indigenous to North America. Small and compact, this book is convenient to read any time and anywhere.
