Reviewer: Ariel Woodbury
Publisher: Clarion Books
Year: 2017
ISBN: 9780544716124
Pages: 29
Interest Level: Preschool
Rating: Outstanding

Review

Muddle doesn't think Mo is a very good duck: Mo is the wrong color, his beak is hairy, and he doesn't eat worms. Then one day the two walk by a goat farm. Muddle explains to Mo that he is a goat, not a duck. Mo is pleased that his friend finally understands, but then Muddle begins to wonder if he is a goat too.

Muddle & Mo is absolutely charming! With simple wit and dialogue reminiscent of the Elephant and Piggie books by Mo Willems, Muddle and Mo make an endearing pair. The illustrations are artful and expressive without any unnecessary components. Each page has a single line and there aren't any big or difficult words, making this a good book for early readers. This book is an absolute delight to read and children will adore the simple humor. Highly recommended!
