Review

Sleigh bells ring, are you listening? What a beautiful song to be going through children's minds in the winter time. Tim Hopgood illustrates *Walking in a Winter Wonderland* as well as two other sing along books, *Singing in the Rain* and *What a Wonderful World*. This book goes through the lyrics of the Christmas classic "Walking in a Winter Wonderland" as sung by Peggy Lee. Every page is colorfully illustrated with snowy scenes including people and animals.

Such a beautiful book! This book, along with the other sing along books illustrated by Tim Hopgood are a staple to a great library. It is also a welcome addition to a family coffee table. The illustrations are so full of life, childlike innocence, and wonder. The family portrayed in the book looks like a happy family doing wholesome and fun things together, what every child hopes for. Definitely a must have for the winter celebrations.
