## Book Review

# The Super-Duper Duo: A Beary Merry Christmas

With Christmas rapidly approaching, the Super-Duper Duo are preparing for the festivities when their friends encounter trouble with a grumbly bear. After meeting the bear themselves, Rory the lion and Sheldon the turtle know the bear must be stopped. They put their minds together and devise a plan to save both the bear and their community. Sheldon goes undercover and with Rory at his side, the bear ends up in a nice winter's slumber.

The Super-Duper Duo: A Beary Merry Christmas with its colorful illustrations and comic style format is perfect for primary readers ages six through ten, or any reader looking to jump into a fun adventure. Additionally, this book includes facts about bears and could be used to teach children about hibernation. Readers looking for a vibrant Christmas adventure will love joining Rory and Sheldon on this holiday read.
