Libby and Pearl: The Best of Friends is the precious story of a little girl and her pet pig. There is a very special message in this book about unlikely friendship. As the author says, these two are a funny pair, but that doesn’t matter. Friends don’t have to be exactly the same or even look alike. Friends come in all shapes and sizes. On each page of this book, there is a colorful photograph of some of Libby and Pearl’s fun adventures. Life is always more fun with a friend!

This book is a precious reminder to slow down, enjoy your blessings, and experience the joy in life. It was written by Lindsey Bonnice and it was inspired by her very own life and her daughter, Libby. Libby and Pearl are such an adventurous and joyful pair. This book will brighten up the day of all who read it. The colors in the book are eye-catching and cheerful and the photographs are adorable. What could be cuter than a tiny pig and a sweet smiling little girl? Readers will find happiness in this delightful story.
