Book Review

Groovy Joe and the Dance Party Countdown

Groovy Joe is having a dance party! It starts out as a grooving party of one, but knocks on the door keep coming, adding more and more dogs! First $1+1$, then $2+2$, soon it's $4+4$ for a party of 8. Even then, Groovy Joe says there's room for one more, YOU! Start boogieing with Groovy Joe and his friends, and get some addition practice in along the way.

From the author of well-loved *Pete the Cat: I Love My White Shoes*, comes another grooving tale, this time focusing on basic math! Readers can practice simple addition skills as the numbers keep doubling. The accompanying illustrations are fun and adorable, bringing the rockin' feel to the book which is made complete with a song available for download on Scholastic. A cool book with dogs and numbers galore, get ready to tap your feet and work some equations with Groovy Joe and the Dance Party Countdown.
