## Book Review

# Because Your Daddy Loves You

A little girl is all energy and enthusiasm. Her daddy has her for the day and helps her dress, spends time with her at the beach, and finally tucks her into bed with a warm hug and the words, “I Love You” on his lips. Through each adventure and fatherly test he shows patience and kindness to his little girl and appears to be enjoying himself as much as she is.

This is a nice book for daughters to appreciate all the things their dad does for them. The illustrations are bright and humorous, although a little retro in style. The girl’s messy hair conveys her youth and non-stop engagement with everything around her. This is a wonderful book for fathers and daughters to bond over.
