Book Review Tuesday

An ordinary Tuesday becomes a magical evening of flying frogs who drift and leap through adventures. Lily pads lift them away from the pond and float the frogs into the fields, past windows, and back to the pond in the end. On Wednesday the pigs take to the air.

This book is made more mystical with no words to interpret the magical happenings pictured in the illustrations. Each reader can interact with the images in their own way and may even invent a different story every time they leaf the pages of the book. This is the pinnacle of books without words.
