Book Review

Crack Yourself Up Jokes for Kids

Laughter awaits in this super silly book for young jokesters. This humorous collection of jokes is recommended for ages six to twelve. There are a wide variety of jokes and funny stories included. Knock knock jokes and backward jokes are some of the highlights, as well as the classic “chicken crossing the road” joke. Some of these jokes have been heard before and some of them are fresh and laugh-out-loud worthy. There are also a few illustrations to add a little something extra.

Sarcasm drips from the pages of this funny read. The jokes are guaranteed to put a smile on the reader’s face. Every young student will want a copy of this book to learn new jokes and make their friends and family laugh. This book would definitely sell out at a school book fair. Every day should be filled with laughter and this book can provide that.
