Book Review

Building Amazing Creations

Sean Kenney is an amazing artist who once had a big dream and took a chance on it. He escaped from the confines of his office cubicle and stepped into the world of creativity. His persistence paid off, and he now creates one-of-a-kind LEGO sculptures for clients around the world. This book is a collector's item full of color photographs of Sean's numerous creations. The behind-the-scenes look at Sean's exciting and unique job is an inspiring delight.

Readers of all ages will find joy in this book. Sean Kenney is a shining light for the dreamers in the world. He uses his talent to spread happiness and cheer to the lives of others. He also inspires children to embrace their creativity. This scrapbook of his work is absolutely beautiful and unbelievably artistic. It belongs on the coffee table as an obvious conversation starter. This book is one that everyone can appreciate.
