Book Review

Peace and Me

What does peace mean to you? Is it helping those in trouble? Does peace mean letting silenced voices be heard? The book *Peace and Me* gives the background of the Nobel Peace Prize and highlights many of its recipients. Men and women, children and adults have been awarded this prize for their efforts in increasing peace in the world. Readers will learn more about those who have made the world a better place, and will be inspired by what they did.

The book *Peace and Me* is the perfect way to introduce children to the Nobel Peace Prize, and to begin a discussion on what they can do to increase peace in their communities. Each recipient of the Nobel Peace Prize sought to increase peace in various ways. After reading this book, children may be inspired to begin thinking of many ways they can make peace. The beautiful illustrations of textured fabric and paper (created digitally) beautifully complement the wonderful stories found within.
