## Book Review

# Sofia the First: Just One of the Princes

Princess Sofia wants to join the Flying Derby team, but she is told that it is only for boys. Sofia is determined to make the Flying Derby a possibility for girls, too. It is quite the challenge and sometimes Sofia feels like giving up, but her friends and family encourage her to keep pushing forward toward her goal. If anybody can do it, Princess Sofia can!

This girl-power story is perfect for every little princess. The message is clear: girls can do anything that boys can do! Whether prince or princess, every person deserves a chance to try and experience new things. With determination and strength, any goal can be achieved. This book is sturdy and well made, and the hardback cover is perfect for little hands. The Disney artwork is like no other and sets the standard for all illustrators. This story is an excellent adaptation of the television series, and the writing is simple and straightforward for early readers. Little ones will love this book just as much as the beloved Disney Junior series.
