Book Review

Martha Speaks: Funny Bone Jokes and Riddles

"Knock, knock. Who's there? Woo. Woo who? Don't get too excited, it's just a joke." If there is something funnier than a knock-knock joke, it's a dozen knock-knock jokes that have to do with dogs! Laugh along with Martha and learn new jokes about shampoodles and what to watch out for when it's raining cats and dogs. Short and simple jokes are just right for young children and their captivated audience.

This book will have your preschooler rolling with laughter, and don't be surprised when you are expected to laugh at the same joke for the rest of the week! Humor can brighten the day and give kids a sense of control as they make those around them giggle. This book can help children relax and let loose while giving them confidence and making them feel included. Plus, who doesn't love a talking dog? The illustrations remind us of our favorite Martha Speaks episodes and keep kids engaged.
