Stick Dog and his friends are always silly and are always searching for food. When the adventurous pups spot some unusual people in costumes, they set out to find out just what is going on and to find the answer to their constant question: where can we find more food? A couple of little witches become the dogs' leaders, and the dogs sneakily follow them around the neighborhood. The witches lead them right to special treats. The Stick Dog crew never knew this sweet holiday could be so fun and so delicious!

The Stick Dog series always guarantees a laugh and a smile. The delightful doggies are always up for a tasty adventure. Young elementary-aged children will not be able to get enough of Stick Dog and his pup friends. This particular book is different and special because it is based on the Halloween holiday. However, this can be enjoyed all year long along with any other of the Stick Dog books. This series makes reading fun!
