

# Malönchen (Music Recording, Translation)

Poet: Gustav Falke

English Translation: Justin Lamb

Composer: Luise Greger

Little Elf has a pair of wings  
Little Elf has a crown  
Little Elf has curly hair  
Little Elf is called Malönchen!

Little Elf sips rose wine  
Little Elf licks honey  
She sneaks into the mouse's hole  
Then peeks out. "I live here!"

Looks outside and laughs at me,  
"Haha to you, old Peter!"  
If you can catch me now,  
I'll marry you later!
